OHS STUDENT CONDUCT POLICIES AND PROCEDURES  
FOR  
RETREATS, OFF CAMPUS ACTIVITIES, AND OVERNIGHT EVENTS

Below is the code of conduct that must be adhered to by Overland High School students on retreats, at overnight activities, or off campus events.

1. All Overland High School rules of behavior are in full force on all trips.
2. Students are required to obey all posted curfew times and spend the night in their assigned room.
3. Students are required to attend all meetings as announced.
4. Lost room keys and/or property damage will be charged to the individuals in that room.
5. Students must travel with the group; no personal automobiles or rides with other individuals unless okayed by the sponsor and the school.
6. Students are to keep the adult sponsors/chaperone informed of their activities and whereabouts at all times except for scheduled meetings.
7. Students with knowledge that possession or consumption of alcoholic beverages, narcotics and/or controlled substances (drugs) by Overland High School students has occurred on the trip must inform sponsor(s) immediately or they will risk disciplinary action up to and including being sent home or being suspended.
8. Members of the opposite sex are not allowed in sleeping rooms except with express permission of sponsor for meetings or event preparation and arrangements for supervision are made.
9. Each retreat, off campus activity, or overnight event may add rules and procedures as needed.

I (parent/guardian) grant permission to the sponsors and chaperons to do what they judge necessary to control or modify the behavior of my son/daughter which they (sponsors) perceive as being harmful to the success of the trip and/or discomforting to the other participants. If my son/daughter becomes a problem in any way, I will accept a collect call from the sponsors and with them consider a manner in which the problem will be promptly solved. This may include arranging for transportation of my son/daughter back to Denver.
